Jobs in Environmental Education

Job Title:

Education Assistant at Padilla Bay Reserve. These are Washington Conservation Corps and AmeriCorps positions.

Wage:

Pay is minimum wage (currently \$7.63 per hour) plus health benefits. Each person completing eleven months of employment earns an AmeriCorps Education Award valued at \$4,725.

Description:

Two positions will begin October 2, 2006 and extend through August 2007. Duties include presentation of Padilla Bay's estuary education program to school and community groups, other special environmental education projects, development and maintenance of educational materials, and miscellaneous administrative tasks. These positions will remain open until filled.

Qualifications:

Applicants must be between the ages of 18 and 25.

Note: Experience and training in environmental education, marine biology, CPR/First Aid, computers and the Internet, classroom teaching, ornithology, laboratory skills, and Spanish language will be considered. College graduates are eligible.

To apply:

Please submit a cover letter, resume and contact information for three references. Applications due August 28. Interviews are scheduled for September 5 – 8. Telephone interviews are okay.
